Dear Parent / Carers

We would like to introduce the school's speech language therapist Elise Pearce.

Elsie's role at the Academy is to ensure students speech language needs are met and will at times be required to meet with every young person to update their education, health, care plan. This will be during educational transitional stages such as; end of key stage 3 (year9) end of key stage 4 (year11) and end of key stage 5 (year13).

Elise attends the site fortnightly and is available to support with advice where she can, to parent / carers during her working hours with us.

If you would like any support or advice form the service please contact us on the email below where we will get back to your shortly [sen@bromleybeaconacademy.org.uk](mailto:sen@bromleybeaconacademy.org.uk)

We would like to thank you for your continued support and encouragement to engage with this service.

Kind regards

**Miss Lauren Hilton**
